

SCREENFORCE® INVISIGLASS™ ULTRA CURVE SCREEN PROTECTION

Maximum protection concentrated into the thinnest possible element. ScreenForce is engineered to look and feel like the phone screen it protects, preserving clarity and touchscreen sensitivity for a barely-there experience. Beneath the tactile, glass-like surface, this hard-hitting protector provides impact protection, scratch resistance and enhanced durability to deliver long-lasting, resilient screen protection.

Use Cases

- User knocks phone off of nightstand when attempting to silence a morning alarm.
- Phone falls from user's pocket when entering or exiting their car.
- Keys and other hard objects scratch the phone's screen while inside a purse or bag.
- At the gym, a user's phone falls from the treadmill

Product Benefits

- Engineered to be 58% stronger than tempered glass
- Thin profile of 0.29mm maintains the tactile experience of your phone's screen
- 2.5D Edges. Edge to edge curve
- Anti-fingerprint coating maintains the crystal-clear screen
- Designed to be case compatible for all-around protection
- Curved edges extend to protect more screen surface
- Ion-exchange treatment dramatically increases screen protector strength
- Flawless application is easy with the Easy Align tray
- Backed by our hassle-free Limited Lifetime Warranty*

* Belkin warrants the product against defects in materials and workmanship under normal use, including scratched or cracked screen protector films, for two (2) years from the date of purchase.

SCREENFORCE® INVISIGLASS™ ULTRA CURVE SCREEN PROTECTION

The Belkin SCREENFORCE Family

Maximum protection concentrated into the thinnest possible element. ScreenForce is engineered to look and feel like the phone screen it protects, preserving clarity and touchscreen sensitivity for a barely-there experience. Beneath the tactile, glass-like surface, this hard-hitting protector provides impact protection, scratch resistance, and enhanced durability to deliver long-lasting, resilient screen protection.

The Belkin SCREENFORCE Family Characteristics

- Provides impact protection by absorbing shock of impact to protect phone screen
- Multi-layer composition provides enhanced durability
- Tested using optometric standards to provide best-in-class crystal clarity
- Tested according to the pencil hardness test for superior scratch resistance
- Super-thin design provides protection without bulkiness
- Intelligent materials preserve touchscreen sensitivity
- Glass composition provides a tactile response that feels like the natural screen
- Precision-cut by machine to cover the maximum screen area for longer-lasting protection
- Anti-fingerprint coating repels dirt and smudges

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Engineered for ultimate privacy, durability, and protection
- Thoroughly tested to provide a superior tactile and visual experience
- Unique Easy Align tray for practically flawless application
