

Power Strip

00223195 Socket Cube, 3-Way, USB-C/A, 17 W, with Switch, 1.4 m, white

Highlightstext:

- Multi-socket power strip for connecting up to seven electrical devices via three earthed contact sockets and four USB outputs
- Space-saving cube design with rounded edges: the socket cube with USB is a versatile eye-catcher and allows the easy supply of power in all directions
- With 2 x USB-A sockets and 2 x USB-C sockets: ideal for all devices that are charged and operated via USB, e.g. tablets, smartphones, power packs, consoles
- 7 slots for full power - all at the same time: With the socket cube with USB and earthed contact sockets, you no longer have to choose and can charge your smartphone, tablet, spare battery and headset even while your laptop, printer and monitor are in use
- Practical multi-way socket with switch: The manual switch makes it easy to cut off the power supply, e.g. at the end of the work day or even if the wall socket is in hard-to-reach places such as behind cabinets or under the table
- Integrated kink protection and strain relief for protecting the conductors
- Moulded plugs ensure high mechanical resilience and strain relief
- With increased touch protection to avoid accidental contact
- Tidied away and non-slip: double-sided adhesive tape for easy attachment of the cube as a fixed tabletop socket included - for easy plugging and unplugging without sliding around on the table surface
- Socket cube with button: two-pole, illuminated On/Off switch, ideal for switching off not-needed or standby equipment
- Socket cube with 4 USB connections replaces separate power supply units without blocking sockets
- Fast solution for cable spaghetti without retrofitting: the 3-way socket strip with 4 USB ports is ideal as a table-top socket
- Socket inserts rotated by 45°
- 3 earthed contact sockets
- 2 integrated USB-A charging sockets
- 2 integrated USB-C charging sockets
