

Zebra OneCare

SERVICES THAT MAXIMIZE THE AVAILABILITY OF YOUR ZEBRA PRINTERS

Every day, your Zebra printers help you streamline your business processes to improve overall operational efficiency and accuracy, drive down the cost of doing business and increase workforce productivity. Availability of your printers is key to the success of your business and the return on your Zebra printer investment. Now, with Zebra OneCare services, you can ensure that your Zebra Mobile, Tabletop, Desktop, Card and Kiosk printers achieve maximum uptime and peak performance. You get unmatched support, right from the manufacturer — from experts that offer unparalleled product knowledge. With three service levels to choose from — Essential, Select and Premier — you'll find a Zebra OneCare offering that will meet your service requirements and your budget. And with global coverage, we're ready to meet your support needs, no matter where in the world your business is located.

Get the service level you need

Essential and Select offer software updates and upgrades, varying levels of hardware support, technical support and repair turnaround times, plus numerous options to customize your service requirements to best meet your business needs. Our Premier service is fully customizable, allowing you to create a service package that meets the unique needs of your business. All of these support services can be purchased within 30 days of your equipment purchase.

It it's broken, we fix it

Our Zebra OneCare services are truly comprehensive. Worn out printheads? Damaged platen rollers? Broken display? Our plans cover it all, including normal wear and tear and accidental damage. While Zebra's hardware Warranty covers defects in workmanship and materials, with Zebra OneCare for Printers, if it's broken, we'll fix it. And when you need to return a device, we make it fast and easy — return requests can be initiated online, anytime of the day or night.

Get unparalleled from-the-manufacturer expertise

Our experienced technical support experts can help you with virtually any issue on any Zebra printer, providing swift resolution of issues to minimize the impact on your business. And our experts speak your language — with 16 available languages, we're ready to support associates in just about every corner of the world.

FACT SHEET**ZEBRA ONECARE FOR PRINTERS****Zebra OneCare Essential**

Zebra OneCare Essential service is our foundational service offering, with comprehensive coverage that includes printer cleaning and adjustment, technical support during your local business hours and 3-day turnaround time on repairs. And, with our On-Site service option, we can dispatch a technician to your facility to troubleshoot and resolve issues for the most critical situations.

Zebra OneCare Select

Need a higher level of care? Zebra OneCare Select service delivers more capabilities. If a device needs repair, we ship out a replacement as soon as you notify us — before we receive your broken unit. We'll even commission your printer settings and label formats so your printer is ready to use on arrival. No matter what time of the day or night you have a problem, our experts are ready to help. Select service provides a technical support help desk with 24x7 availability. Want visibility to better manage assets within your environment? Our cloud-based visibility service option, powered by our Asset Visibility Platform, provides the location, condition and usage patterns of your Zebra Link-OS™ network enabled printers to enhance worker productivity.

Zebra OneCare Premier

Are workforce productivity and operation efficiency at the highest level critical to your business? Zebra OneCare Premier, our highest level of service, delivers a truly differentiated service experience. You choose the features you need to maximize process throughput and simplify your operation. Our solution experts will customize printer settings and software, integrate 3rd party software and peripherals and perform advanced diagnostics to meet your business needs. Taking full advantage of Zebra's Premier service capabilities will provide deeper operational insight, allowing you to streamline your operations and truly transform your business.
