

Whiteboard folding board MAULstandard, coated steel

- **A space-saving marvel: A large writing surface in the smallest of spaces: Up to 3x more work surface than the wall space required**
- **Designed by MAUL**
- **High quality: Functionally designed and carefully crafted, offering excellent value for money**
- **Durable: Sturdy hinges**
- **Sturdy construction: Frame profile made of silver-anodized aluminum**
- **Robust: Work surface made of plastic-coated sheet steel, suitable for frequent use**
- **When the storage tray is pushed in, the board is locked**
- Triple use: suitable for magnets, writable and very good dry-wipe
- Clever: the tray is fixed on magnetic strips, it can be moved down
- Discreet profile combined with grey corner joints
- Mounting material included
- Colour code refers to the colour of the corner joints
- Wings 100 x 75 cm each. Five writable surfaces, two opening wing boards
