

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

ARTICONA GRS 240W USB-C Cable

Article number: see below

USB-C cable certified according to the GRS standard. The cable contains more than 20% recycled materials. The flexible cable jacket and the connector housing are made of recycled TPE. This cable is ideal for charging mobile devices such as smartphones, tablets or notebooks with a power of up to 240 W. Data transfers via USB 2.0 can reach speeds of up to 480 megabits per second (Mbit/s). However, it's important to note that USB 2.0 does not support video transmission.

- USB-C Cable with GRS Certification and contains more than 20 % Recycled materials
- Cable jacket and connector molding are made of recycled material
- Suitable for charging up to 240 W
- USB 2.0 data transfer rate without video support

Specifications:
