

Sustainably made.
Protection on-the-go.

Dell EcoLoop Essential Briefcase 14-16

A sustainably made, lightweight briefcase featuring 360° protection. Created with durable fabric made from 100% recycled materials.

EcoLoop™

Designed with the environment in mind

Dell EcoLoop™ labeled briefcase is produced with select materials and/or methods that reduce the environmental impact compared to traditional industry techniques. The briefcase's exterior main fabric is made with 100% recycled plastic, reusing approximately 6 plastic bottles.¹

Complete protection

Built with 360° foam cushion surrounding the laptop sleeve, keeping your computing devices protected from bumps and knocks.

The briefcase is made from durable fabric that makes it water-resistant to keep your belongings dry and protected.

Thoughtfully designed

Store accessories neatly with the purpose-built organizers. Keep your tech safe in the main compartment of the briefcase alongside your work files and documents, all placed conveniently in one place, and the reflective accents increase visibility in low light.

¹ Plastic bottle estimate assumes a 500ml plastic water bottle.

Sustainably made. Protection on-the-go.

Your everyday briefcase that's sustainable and made with durable, water-resistant and recycled materials and 360° protection. Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings.

Trolley strap for easy slot through of luggage handle for easy travel

Reflective accents on front of the case provide increased visibility during low light commute hours

Durable, water-resistant fabric

Provides protection on-the-go with 360° foam cushioning on the side walls

Adjustable shoulder strap

Quick access front zipper pocket

Store all your work essentials neatly with the 2 pen holders and 2 slip pockets built-in organizer
