

DATASHEET

ARTICONA is the name of Bechtle's own brand and the subsidiary ARP. The product portfolio for the IT workstation consists of accessories and connection technology. In addition to the broad product portfolio, ARTICONA has even more to offer: An extensive quality check as well as the knowledge of an experienced team of experts already since 1989. Thus ARTICONA is constantly evolving with the current market trends.

ARTICONA iPhone 11 Rugged Case

Introduction

With this practical protective cover you protect your iPhone optimally. The protective cover is kept in elegant black. It is suitable for smartphones with a display size of 15.5 cm (6.1 "). Thus, the protective cover fits your iPhone 11 perfectly. With the ARTICONA protective cover, you minimize the risk of scuffs, scratches and dust - your smartphone remains well protected and is always close at hand. The material is TPU and polycarbonate.
