

## LENOVO™ ACTIVE PEN 2

SET YOUR IDEAS IN MOTION  
WITH LENOVO ACTIVE PEN 2.

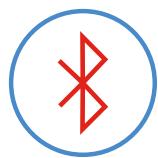

Lenovo™

### PREMIUM, PROFESSIONAL, PRODUCTIVITY.

The Lenovo Active Pen 2 is the perfect complement to the touch system, providing an additional way to interact, create and edit. Add a personal touch to documents by signing them with your name or annotating in your own handwriting. Take down handwritten digitized notes, or get creative by editing photos and sketching. However you choose to work, create, or communicate, the Lenovo Active Pen 2 provides more ways to express yourself.

#### WHY YOU SHOULD BUY THE LENOVO ACTIVE PEN 2

##### Enhanced productivity with Bluetooth®-enabled

Quick launch applications with one click, control your presentation with page up/down actions, all through Bluetooth® connectivity.

##### Write, sketch and annotate like on paper

Natural feeling of writing, sketching and annotating on screen just like on paper with solid and responsive tip technology.

##### Configurable featured buttons

Speed-up your work and improve productivity with two side buttons and a top button for customized shortcut functions through Windows Pen Protocol or Pen App.

#### THE LENOVO ACTIVE PEN 2 IS BEST SUITED FOR

1

Designers and artists who are eager to capture creative ideas and artworks anywhere, any time.

2

Students and teachers who are heavy pen users and want an active pen that feels like a real ink pen.

3

Anyone who looks for a sophisticated active pen with the touch system to improve work efficiency with a natural feel.
