Fellowes has introduced an all new Powershred® series of commercial strip-cut and cross-cut shredders. Along with a sleek new design, the shredders feature Fellowes' patented 100% Jam Proof System, SafeSense® Technology and many other valued features making them more powerful, safer and hassle-free. Ask your sales representative to learn more.

THE WORLD'S TOUGHEST SHREDDERS™

NEW 400 SERIES SHREDDERS

New design. Upgraded Features. Improved Performance.

POWERSHRED® 485 SERIES

- 100% Jam Proof System eliminates paper jams and powers through tough jobs
- Extra-wide throat suitable for shredding A3 and continuous computer paper
- Patented SafeSense® Technology stops shredding when hands touch the paper opening
- Reduces in-use energy consumption and powers down after periods of inactivity
- Auto-Oil™ automatically lubricates the cutters to enhance performance and extend shredder life (485Ci only)
- Patented cutting system allows for maximised cutting efficiency and consistent, reliable performance
- 2-year product and service warranty plus 20 years on cutters
