Surface Pen Black

Article number: 4617886

With our ARTICONA pen, working on a Surface laptop is easier than ever. No more annoying fingerprints and only precise work. The pen has tilt pressure feeling, an LED indicator and a handy right-click function. As it is magnetic, it can be easily attached to the Surface. Particularly suitable for drawing, sketching or writing emails. In the office, at school or in the home office, our pen can be used anywhere.

- Lithium battery
- Standby mode enters after 10 minutes
- Charging time 1 hour
- Operating time approx. 80 hours
- LED display
- Tilt pressure sensitivity and palm recognition
- No Bluetooth required
- USB C connection
- Magnetic
- Aluminium housing
- Right-click function
