

ESSENTIAL T1041 Display trolley

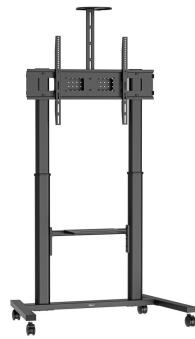

T1041 – Solid Display Trolley – Reliable, flexible and fully equipped

This trolley, combining maximum flexibility with ease of use, is ideal for conference rooms, auditoriums, meeting rooms and educational settings. Suitable for screens with a maximum VESA of 900 x 600 mm and a load capacity of up to 100 kg, this trolley delivers stability and reliability. Fitted with accessories including a camera/speaker holder, laptop stand, accessory holder and integrated cable management for a complete and organised AV solution. With a maximum screen height of 1700 mm (centre screen), you can have your screen positioned at the ideal viewing height every time. The four sturdy, braked wheels ensure that moving is easy and safe. Reliable performance for large screen sizes.
