

Backpack

00227052 "Extreme Protect" Laptop Backpack, Shockproof, up to 41 cm (16.2"), black

Highlightstext:

- Robust shock absorbers, inside and out: stylish backpack with D3O-licensed impact cushioning in the laptop compartment guarantees a safe storage of devices plus accessories and effective protection against knocks, dirt and scratches - shock-proof and yet stylish protective laptop backpack for a professional impression
- Innovative protective frame with D3O® licence for all internal pockets, including the laptop compartment: the D3O material absorbs impacts and shocks brilliantly and very effectively protects your laptop against damage
- From cables to mobile phones: the roomy and padded front pocket with clear organiser structure offers plenty of space for other business accessories
- Well-thought-out structure: the organiser compartment inside the business backpack offers space for pens, USB sticks, memory cards and so on, but also for personal items such as keys, handkerchiefs and lip gloss
- Stable stand and additional protection: Ribbed, non-slip base feet for a stable position protect the surface from scratches and act as shock absorbers for the laptop in the bag
- Even if the weather is in a foul mood, the laptop is protected from moisture in the water-repellent outer material
- Secure grip in the laptop bag: hook-and-loop strap for securing the laptop - the flexible material keeps notebooks, files, folders, etc. firmly in place in the padded interior
- Adjusted to suit: adjustable and padded shoulder straps to ensure the business backpack sits perfectly
- Functional work backpack with briefcase flair: practical handles with fabric sheathing for a pleasant carrying experience - with adjustable handle connector featuring a push button
- Handy trolley holder: the business backpack with suitcase loop can be conveniently and securely attached to the trolley handle - giving an optimised grip on business trips without sliding around
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Especially shock-resistant frame on the base and sides: the innovative protective shield specifically protects sensitive edges - so the laptop's biggest weak points are perfectly protected
- Stylish everyday companion: details with recycled faux leather corners create design accents on the notebook backpack
- Main compartment offers plenty of space for documents in DIN A4 format
- Small internal pockets in the main compartment for accessories
- Handy 2-way zip fastener on the main compartment
- Reinforced edge below the zip fastener on the front compartment for additional stability
- Hidden zip fasteners protect inside and out: the business bag is protected from dust on the inside and your outfit can't get caught on the teeth
- Stable metal zipper with good grip for easy access to the contents
- Lightweight, slimline and sleek: takes up barely any space and is not bulky, even as hand luggage
- Always perfectly equipped for a business meeting, office and uni - and the equipment is perfectly protected too
