

Cable Hose/Bundle

00220994 Flexible Spiral Cable Conduit, Universal, 7.5 - 30 mm, 2.5 m, black

Highlightstext:

- Brings order to visible cabling by bundling, ideal e.g. for TV supply cables and IT cable management
- For wrapping and bundling several cables in a single tube: for tidiness at home or in the office
- Bundle cables with a flexible bundle width from 7.5 - 30 mm: ideal for routing in small radii and at acute angles, e.g. for TV, PC, desk, DIY
- Flexible and insulating cable bundling: the cable spiral bundles cables into a neat strand and reduces tripping hazards caused by loose cables
- Quick and easy cable tidying: cables are secured with the spiral conduit
- Cable protection for cats and dogs: pets are protected from chewing insulated cables
- It is easy to create a lateral exit for one cable halfway along without having to cut holes to do so
- Cable protection conduit can be shortened as desired with scissors
- High tensile force, does not require any further bundling tools
