Product Information

Designed with both style and function in mind, the new iPhone Leather Wallet with MagSafe is the perfect way to keep your ID and credit cards close at hand. It now supports Find My, so you can be notified of your wallet's last known location if it gets separated from your phone.**

Crafted from specially tanned and finished European leather, the wallet features strong built-in magnets that allow it to effortlessly snap into place on the back of your iPhone. You can even stack it on top of a case with MagSafe to create a look that's unique to you. The leather wallet supports up to three cards and is shielded so it's safe for credit cards.
