HP 435 Multi-Device Wireless Mouse

Everything Just Clicks

Work seamlessly with a versatile and customizable mouse that is responsibly made. Enhance your experience by connecting with up to two devices and moving content across operating systems. Be at your best with programmable buttons, ergonomic design, and battery life that lasts up to 24 months[1]. Plus, enjoy the freedom to work on most surfaces with HP Blue Optical sensor.

Connect Across Multiple Devices
Now you can drag and drop anything across devices using one mouse. The cursor will move seamlessly between the screens, even between Windows® and macOS® operating systems. Also enjoy the freedom to connect to up to 2 devices with a USB-A nano dongle or Bluetooth®.

Totally Customizable
Make everything quick, easy, and just how you like it by customizing[2] shortcuts using several applications[3]. Dial in all your preferences with 4 programmable buttons, adjustable wheel speed, and fast cursor tracking up to 4000 dpi.

Responsibly Made
Aside from the comfortable design, this mouse will make you feel good about doing your part for the environment[4].

2 Years, 1 Battery
Work uninterrupted for years with this amazingly efficient, incredibly long-lasting mouse. A single AA battery lasts up to 24 months with the smart power system.[5]

Thoughtfully Designed
Work efficiently with a mouse that is comfortable and responsive. Whether you are a left-hander or right-hander, enjoy responsive clicks, thoughtfully designed buttons and scroll wheel.

Drag this Mouse Anywhere
Find the freedom to work anywhere with a mouse that tracks on almost any surface. Blue Optical technology allows you to work even on marble.
