## Power Cable C13/f - C14/m 1.8m, LSZH

Article number: 4822823

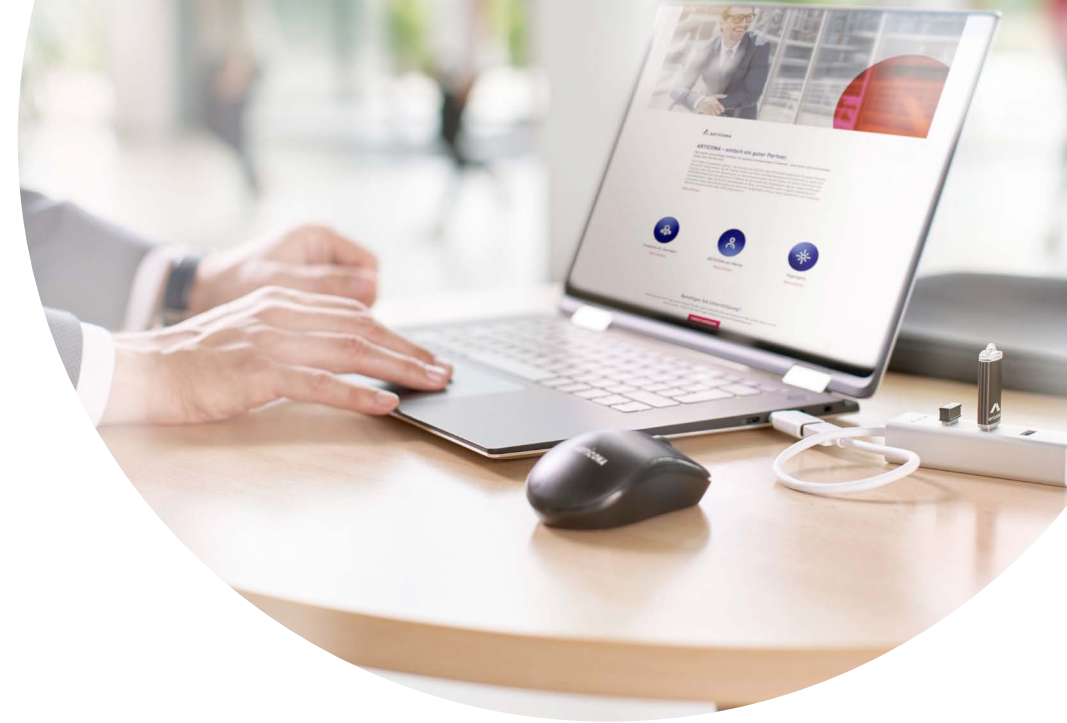

The ARTICONA power cable ensures a reliable connection. The 1.8-meter-long cable has a C13 to C14 connection, perfect for connecting a variety of electrical devices, servers, or UPS systems. The LSZH material ensures minimal toxic smoke emissions in the event of a fire, providing additional safety in the work environment.

### Highlights:

- **Material:** LSZH (Low Smoke Zero Halogen) for enhanced safety
- **Certifications:** Complies with industry safety and performance standards
- **Safety First:** The LSZH material ensures minimal toxic smoke emission in case of fire, providing an extra layer of safety in work environments.
- **Versatile Use:** Ideal for connecting servers, UPS systems, and network devices in data centers or office settings.
- **Durable Design:** Built to last, this power cable can withstand the rigors of daily use while maintaining performance integrity.

### Specifications:

Product type	Power cable / adapter (external)
