

## Cable Duct

00220993 Metal Cable Duct, Magnetic, 55 x 5 x 3.2 cm, black

### Highlighttext:

- For the secure routing and protection from damage of cables and wires
- Replace cables any time without assembly work: the magnetic cover can be removed and reattached again whenever it needs to be
- Space for up to 8 cables such as image, data, audio or power cables
- Easy mounting and secure hold: by means of screws or 3M adhesive strips, e.g. on the back of equipment, desks, etc.
- FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood
- Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
- Hide cables: whether on the wall, on the skirting board or on the floor - the duct can be used anywhere
- Stylish cable routing with magnetic cover: blends harmoniously and "invisibly" into the living environment, e.g. for cable routing at the table base for cable routing from the PC to the monitor
- Easy installation: apply 2 self-adhesive magnetic strips to the desired point, then simply mount the magnetic cable holder
- Ideal for power cables, network cables, patch cables, video cables, audio cables, telephone cables, SAT cables, antenna cables, loudspeaker cables, Toslink cables, HDMI cables, etc.
- Can be shortened to any length with a metal saw
