

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

HDMI Hybrid Cable

Article number: see below

Latest generation HDMI AOC cable with resolutions of up to 8K and high transmission range. Using fibre optic technology, the cable can deliver high resolutions and a high range. The cable can be used without additional power supply. With an external dimension measuring 4.8 mm, the cable is thinner than standard cables.

- Active optical hybrid cable (AOC) for HDMI
- Resolutions up to 8K at 60 Hz (4:2:0)
- Robust metal connector casing
- No external power supply required (power supplied via HDMI port)
- Diameter of only 4.8 mm
- Using fibre optic cables makes high resolutions over large distances possible.
- Cable meets CPR Eca standards
