

Wireless Charger

00201689 "QI-FC15S" Wireless Charger Kit, 15 W, Wireless Smartphone Charging Station

Highlighttext:

- Charge QI-enabled mobile phones quickly and carry on using them: simply position the compatible smartphone in portrait or landscape orientation and charge wirelessly thanks to the universal QI charge technology
- QI charging station in high-quality design for the table: simply place, charge and continue using smartphone
- Qualcomm® Quick Charge™ 3.0 technology guarantees extremely fast charging, faster than with conventional charging technologies
- Inductive charging technology for the wireless charging of compatible smartphones
- Charger with stand function for convenient use of the smartphone during the charging procedure
- 2 coils allow the smartphone to be charged both in portrait and landscape format
- Wireless charging of smartphones with QI technology
- The LED function indicator provides information about the charging status. The LED can be switched off in order to be able to sleep better at night, for example
- Wireless fast charge technology guarantees extremely fast charging
- Smartphones in wireless charging-compatible cases do not have to be removed and can be charged wirelessly right away
- Connected devices are automatically detected and optimally charged
- Charging process optimized for the device which guarantees maximum charging speed
- Optimized charging process saves the battery thus extending its service life
- Non-slip rubber on the plate of the wireless charger for secure charging
- That tedious search for a charging cable and the tangle of cables are no more thanks to the wireless charger
- Wireless fast charge: fast charger with charging speeds of up to 15 W
- Charging begins automatically after the smartphone is placed on the QI charging station
- To end the charging process, simply remove the smartphone from the charger
- The fast charger offers the ideal power supply to guarantee the maximum charging speed for the wireless charger
- Smart charging technology: wireless inductive technology (can be used with all compatible devices)
- Tested QI standards and interoperability: QI-certified safety and compatibility with optimised energy efficiency through inductive charging
- Smart and safe charging: Overcharge, overvoltage and short circuit protection as well as foreign body recognition for maximum safety for smartphones, batteries and chargers
- The stand holder conveniently allows you to use the smartphone while it is charging, watch films in landscape and portrait format and hold video calls
- Everything included: A USB charging cable (USB cable with USB-A to USB-C) for connecting a QI charging station and quick charger, as well as a power supply unit for connection to the 230 V power grid, are included with the mobile phone charging kit
- Visually appealing design of the desktop charger fits in perfectly with any office and home setting
- Non-slip rubber on the plate for secure charging

System Requirements:

With wireless charging technology based on the QI standard or Qualcomm® 3.0-compatible device (e.g. smartphone, AirPods, etc.)

Note for Consumers:

Please check the product information or operating manual of your device or contact the manufacturer to see whether your device, e.g. smartphone, headphones, etc., supports wireless charging technology based on the QI standard and the quick-charging function based on Qualcomm® 3.0.

Technical characteristics:

- Colour: Grey
- Shade of colour: Anthracite
- Connection: USB-C-Connector
- Input: 12V/1,67A, 5V/2A, 9V/2A

Wireless Charger

00201689 "QI-FC15S" Wireless Charger Kit, 15 W, Wireless Smartphone Charging Station

- Charge Technology: Wireless Fast Charge
- Input Voltage Range from/to: 5-9 V
- QI certification: Yes
- Upload Speed: Fast Charge
- Display: LED-Funktion
- Height: 15 mm
- Length: 137 mm
- Weight: 244 g
- Width: 70 mm
- Input Voltage 1 / Max. Input Current 1: 5 V / 2 A
- Input Voltage 2 / Max. Input Current 2: 9 V / 2 A
- Input Voltage 3 / Max. Input Current 3: 12 V / 1.67 A
- Max. Output Power: 15 W
- Recommended Use: Smartphone
- Suitable for: Handy
- Usage: Smartphone

Delivery:

- 1 "QI-FC15S" QI charger
- 1 Qualcomm® 3.0 standard-compliant quick charger
- 1 USB-A - USB-C charging cable, length 1 m
- 1 operating manual
