DOCKING STATION

DELL UNIVERSAL DOCK – UD22

Get a seamless consistent docking experience for any USB-C laptop, with fast charging, highest number of ports[1] and highest number of display supports for a universal dock.[1]

DELL UNIVERSAL DOCK – UD22

Seamless Experience

The ultimate universal dock, it offers the same experience for all USB-C notebooks regardless of the operating system and the manufacturer. Get started quickly even if the DisplayLink drivers are not installed, thanks to the additional support for Hybrid DP Alt mode.
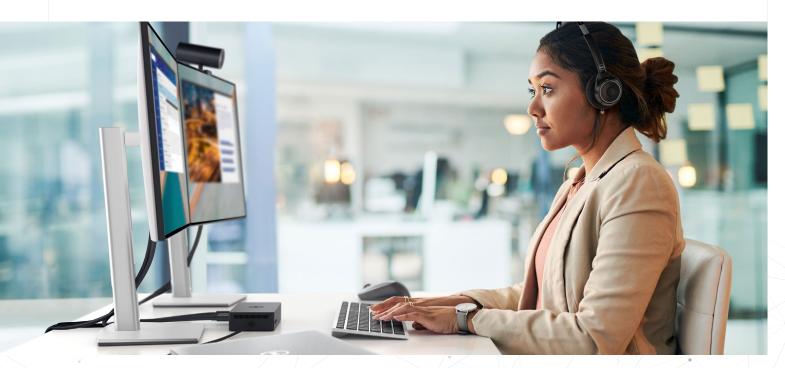

Uncompromised Productivity

Create a productive environment with enhanced flexibility with the highest number of ports on a universal dock[1]. Connect multiple devices and displays with 4 x USB-A ports, 2 x USB-C ports and 4 video ports.
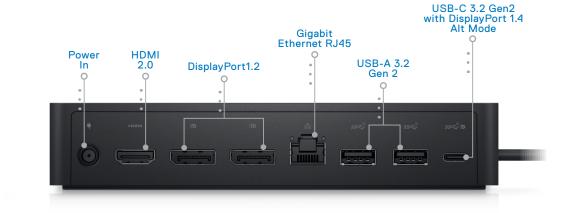

Intelligent Management

Intelligent management capabilities make it easier to deploy, manage and upgrade the docks in your environment. Streamline the deployment and management of all the docks with a single firmware.
