

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

Multiport Hub Type-C

Article number: 4793000

This multiport hub offers a variety of connection options and supports high resolutions. With a DisplayPort 1.4 HBR3 + DSC input signal, two monitors with a resolution of up to 4k60 Hz or three monitors with a resolution of 4k30 Hz can be connected. In addition, it has three USB-A ports (1x 10 Gbit/s, 2x 5 Gbit/s) and two USB-C ports (1x with PD, 1x 10 Gbit/s). Connect your USB peripherals at the highest speed. Do you also want to charge your notebook at the same time? No problem, the optional 100 W power supply provides a charging power of up to 85 W for the connected device. Suitable power supplies and numerous connection cables can be found in the accessories.

Highlights:

- Dual DisplayPort and HDMI video connection
- Maximum resolution up to 2x 4k60 Hz
- Two USB-C 10 Gbit/s ports (1x with power delivery input up to 100 W, output up to 85 W)
