ClickShare

Plug into simplicity, tap into amazing

Find the right ClickShare for your meeting room

From huddle space, regular meeting room to the most advanced large meeting rooms (boardroom or conference room). Choose your way of sharing with the ClickShare Button, App or both for a richer meeting experience.

Our entry models (CS-100 and CS-100 huddle models) are ideal for your huddle spaces & small meeting rooms. These models deliver full HD to meeting room displays. Choose your way of sharing with App or Button (or both).

Our mid range models (CSE-200 and CSE-200+) are suited for enterprise deployments; your choice for rollouts which require enhanced security, interactivity in meetings or central management. The perfect technology for better collaboration.

Our flagship model (CSE-800) is a perfect fit for your conference and boardroom meetings. Offering enhanced features like touch back support, moderation, blackboarding and annotation.

*8 simultaneously shared sources on-screen on the CSE-800 requires two output displays to be connected and the device to be configured in dual display extended mode
