

ScreenForce™ Magnetic Protective Case

SheerForce Magnetic Protective Case is a MagSafe-compatible solution for iPhone 15 series devices. You'll attach your iPhone securely to compatible mounts and chargers with easy one-handed placement and get better viewing in any environment. Clear UV-light-resistant materials help prevent the case from discoloration and degradation. Slightly raised edges keep the iPhone 15 camera and screen safe from scratching when it's placed facedown, or in a purse or pocket with keys and other objects that could make an impact.

Product Benefits

- Compatible with MagSafe accessories for easy one-handed placement
- UV-light-resistant materials help the case stay clear when exposed to the sun
- Raised edges protect screen and camera when facedown
- Ultra-thin and lightweight to maintain the original iPhone experience
- Easy access to volume, power and other control buttons
- 100% plastic-free packaging
- 2-year warranty

Compatibility

Package Includes

SheerForce Magnetic Protective Case

ScreenForce™ Magnetic Protective Case

The Belkin ScreenForce Family

Custom-fit cases designed to complement the phones they protect, while providing hard-hitting protection. Abrasion and UV resistance reduces discoloration and maintains clarity, while lightweight, minimal designs and premium materials mirror the look and feel of the phone to preserve the phone experience.

The Belkin ScreenForce Family Characteristics

- UV-resistant materials help stop discoloration and degradation
- Increased drop protection
- Scratch-resistant coating protects against scratches, scuffs and abrasions
- Beveled edges protect phone screen when placed facedown
- Full access to all ports and speakers

The Belkin Difference

- Pioneer in innovation and technology for 40 years
- MagSafe compatible
