

Targus® Portable Laptop Desk with Retractable Mouse Pad

- Ideal for working on your lap- either in transit (less contact with dirty surfaces), or on the sofa (improved comfort and reduces device overheating)
- For use with laptops and chromebooks up to 13" - 15"
- Slim semi-firm padding provides non-slip comfort when used on the lap.
- Clever stowable sliding tray provides space for mouse control or phone placement
- Slim & portable - fits in a backpack or carrying case along with the laptop
- For use with right or left-handed orientation
- Strong and rigid- holds up to 15 Kg (33 lbs)

The Targus® portable laptop desk was designed to provide a comfortable, stable work surface for laptops and Chromebooks® up to 15". A clever stowable sliding tray offers space for a mouse or a place to rest your phone, ideal for anyone trying to maximise workspace, allowing you to create a simple work station on your lap wherever you may be. Slim, semi-firm padding provides non-slip comfort when resting on your lap and helps reduce device overheating. Whether you are right-handed, left-handed, or ambidextrous, the Targus compact laptop desk provides a strong rigid surface on which you can work.
