## Freedom and flexibility

When work means talk choose a wireless DECT solution that drives productivity. Optimize calls with premium audio, all-day comfort and flexible connectivity. You can ensure excellent customer experiences with unique audio technologies that benefit both speaker and listener.

Address the demands of your busy working environment with audio solutions tailored to your business. It's the agility, comfort and audio excellence of the IMPACT DW Series that will ultimately help support your success.

See more at [eposaudio.com/impact-dw](https://eposaudio.com/impact-dw)

## Key benefits & features

### Ensure premium audio for excellent call quality

Maximize speech intelligibility with EPOS Voice™ technology and an ultra noise-cancelling microphone

### Talk all day in comfort

With up to 12 hours talk time and lightweight headset with extra soft ear pads

### Enjoy wireless freedom and dual-connectivity

With wireless reach of up to 180 m/590 ft and the flexibility of dual-connectivity to both desk phone and PC/softphone

### Choose your wearing style

With comfortable, smart headsets designed to suit every personal preference; headband, ear hook or optional neckband

### Easy magnetic docking and charging

Dock the headset to the magnetic charge interface and be sure it's charged and ready to go for your next call
