Sharp Black Text — **Pigment black ink**

3.6cm (1.42") OLED — **1.42" OLED display**

PIXMA PRINT PLAN — **PIXMA Print Plan compatible**

Canon

Speedier printing for busy lives

Whether it's a vital work document or gig ticket, get what you need when you need it, thanks to an upgraded print head and increased number of nozzles supercharging productivity with print speeds of 14ipm mono and 9ipm colour

Superior quality with pigment black ink

Experience clearer prints that are easier to read with intelligent dot placement and ink optimisation, delivered by our FINE cartridge system and new pigment black ink.

Seamless use thanks to enhanced connectivity

Enjoy hassle-free operation however you print, thanks to a combination of stable dual-band Wi-Fi (2.4GHz/5GHz)*, a simple QR code setup, and a bright 1.42" OLED display.

Mobile printing that's smartphone savvy

Smartphone printing is easier than ever, with QR codes for speed or the Canon PRINT app for added functionality — compatible with Apple and Android devices, plus cloud services.

Cost-effective PIXMA Print Plan

Save up to 50%* on ink. Never run out of ink again and keep tabs on your printing costs with our smart subscription service, which automatically dispatches a new cartridge when you're running low**.
