

Socket Adapter

00223343 3-Way Power Strip for Socket, 1 USB-C PD, 1 USB-A, 1 Earthed Contact, 30W

Highlightstext:

- Compact power strip without cables: simply plug into the existing socket and instantly convert one connection into three - giving electrical devices further connection and charging options with USB-C, USB-A and earthed contact
- 1 becomes 3: whether mobile working, home office or in the bedroom - this power strip conjures up three connection options from one socket - 1x USB-C, 1x USB-A and 1x earthed contact
- Charge at high speed: the USB-C port supports Power Delivery and you can charge your tablet, smartphone, etc. extremely quickly with up to 30 Watts
- The integrated USB-A socket delivers fast charging with up to 30 Watts: ideal for all devices that are charged and operated via USB, e.g. tablet, smartphone, power pack, console
- Electronic devices can continue to be connected thanks to integrated socket, meaning no socket is lost
- Ideal for quickly charging several devices via USB at the same time
- Connected devices are automatically recognized and optimally charged
- Optimized charging process saves the battery thus extending its service life
- With increased touch protection to avoid accidental contact
- Earthed contact socket plus USB multi-socket power strip based on common standards: USB plug for sockets with Type A and a USB-C socket, ideal for charging cables without additional power supply unit
- Safe charging via USB - intelligent chip set for safe charging with overload and short-circuit protection

Note for Consumers:

Please check the product information or operating manual of your terminal device or contact the manufacturer to see whether your terminal device supports PD (Power Delivery) quick charging technology.

The full charging power of 30 Watts is only achieved if only one port is occupied - either USB-C or USB-A. If two ports are occupied, the USB charger charges at a maximum of 15 Watts.

Technical characteristics:

- Colour: White
- Shade of colour: White
- Connection: Socket with Earth Contact, USB Type A female/female, USB-C-Connector
- Power connector plug type: Plug with Earth Contact, Type F (CEE 7/4)
- Charge Technology: Power Delivery 3.0
- Mains Specification: 16 A
- Maximum Connected Load: 3680 W
- Operating Voltage: 230 V
- Material: Plastic Material
- Number of Sockets: 1
- Max. USB power: 30 W

Delivery:

- 1 power strip
- 1 operating manual
