

CONNECT→ USB4™ Cable

Meet USB4, the latest USB technology that provides fast data transfer speeds of up to 40Gbps. USB4 is universally compatible, supporting max speeds of previous cables and interfaces (including Thunderbolt). USB4 is a huge improvement in power, data, and video signals—8x the speed of the original USB 3 standard. Backward-compatible with USB 3.2, USB 2.0, and Thunderbolt 3.

Product Benefits

- Latest USB technology offers data transfer speeds of up to 40Gbps
- 4 times the speed of USB 3.2 Gen1 and 8x the speed of the original USB 3.0 standard
- Backward-compatible and supports the max speed of previous cables and interfaces, including USB 3.2, USB 2.0, and Thunderbolt 3
- Increased bandwidth allows simultaneous power, data, and video for improved quality display and data transfer speeds while you charge through a single cable
- USB-IF certified to meet all electrical and environmental requirements
- Supports power delivery/pass-through charging up to 100W
- The reversible USB Type-C® connector lets you plug in your device in any direction, so you never have to worry about plugging in your cable incorrectly
- Certified as fire resistant

Package Includes

- USB4 Cable

Compatibility

Compatible with USB-C® enabled devices: laptops, smartphones, tablets, hard drives

Backward-compatible with USB 3.2, USB 2.0, and Thunderbolt™ 3

Cross compatible with Thunderbolt 4

Technical Specifications

- 2.6 ft./0.8m length
- Power delivery up to 100W

CONNECT→ USB4™ Cable

The Belkin CONNECT Family

CONNECT products are all about making connections. From cables that charge and share data to docks that bring devices together for a more streamlined experience, CONNECT delivers data in the most efficient way possible while maintaining the highest levels of quality. The very first product Belkin released to market was a cable, and we are proud to say that making connections has been an essential part of our story ever since.

The Belkin CONNECT Family Characteristics

- Delivering power to charge and data transfer
- Durable to withstand repeated use
- Stringently tested to ensure a safe, reliable connection

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Transfer and sync faster with the latest technology
- Premium quality materials and thoughtful design details ensure a long product life
