

WORKFIT™

by ergotron®

WorkFit-C **Sit-Stand Workstation**

- Easily and simultaneously lift keyboard and display to the proper height for ergonomic comfort
- Provides 25" (63 cm) of total height adjustment for sitting or standing
- Back-tilt keyboard tray ensures wrists remain in a neutral position and can be stowed under the large worksurface when not in use
- Our patented Constant Force™ motion technology provides fluid, one-touch adjustments for personalized computing
- Integrated cable management box provides storage for power strip and associated cords
- A CPU can be attached safely to the rear of workstation
- Four dual casters allow workstation to be easily moved, then locked in place when needed
- Small, mobile footprint fits easily through doorways and over thresholds, and is easily stored

STAY ENERGIZED, PRODUCTIVE AND MOBILE
WHILE YOU WORK!

Ergotron's WorkFit-C Workstations let computer users sit or stand throughout the day for a healthier way to work. With a large worksurface and effortless positioning of the keyboard and display(s), WorkFit-C is an ergonomic solution for computing comfort—at an affordable price. Plus, it offers mobility with its small and agile footprint on durable wheels.
