

# Your day, expertly organized

Dell Pro 14-16 Plus EcoLoop Briefcase

MODEL: CC5626

The Dell Pro 14-16 Plus EcoLoop Briefcase supports your dynamic workday with ultimate protection and accessible organization. Made from eco-conscious materials, it's a smart, sustainable choice for those who expect more from what they carry.

EcoLoop™

### Designed with the Environment in Mind

The Dell EcoLoop™ label highlights products made to reduce environmental impact. This briefcase uses 53% recycled materials, including 100% OceanCycle Certified® ocean-bound plastic, saves water and energy with solution-dyeing, and comes in packaging made entirely from recycled or renewable materials.

### Durable and Protective

Count on lasting protection with 360-degree impact coverage, including a top bumper, XPE foam padding, and anti-scratch lining. Waterproof-coated zippers in the laptop compartment, a water-resistant base on the main material, and reflective details help keep your belongings safe and visible.

### Professional and Organized

Stay organized for your day. The briefcase features a spacious main compartment, a padded laptop compartment for laptops up to 16 inches, 2 quick-access pockets and a luggage pass-through to streamline travel.

<sup>1</sup> Based on Dell internal analysis, July 2025.

<sup>2</sup> Contains 87.7% recycled content and at most 12.4% renewable content in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in the box.

**Waterproof-coated zipper** on the laptop compartment keeps your belongings safe from water damage

**Dedicated laptop compartment with padded sleeves** fits devices up to 16 inches and provides 360-degree foam padding for superior protection.

**Spacious main compartment** holds accessories, clothes, and more, with a carry capacity of up to 17L

**Two front pockets**, including a quick-access top pocket and a bottom pocket with built-in organizers, keep smaller essentials within easy reach

**Versatile carry options** with comfortable handles or a detachable, adjustable shoulder strap for easy on-the-go convenience

**Reflective details** on side improve visibility during low-light commutes.

**Luggage pass-through** makes travel seamless by securing the briefcase to rolling luggage handles.

**Durable Twill fabric** is water-resistant, with extra PU coating at the bottom for enhanced protection against dirt and moisture.

#### Proudly OceanCycle Certified<sup>®1</sup>

Made with 53% recycled materials, equivalent to the weight of 40 plastic bottles<sup>2</sup>. It also features 100% OceanCycle certified recycled ocean-bound plastic in the exterior main fabric, reflecting our commitment to protect our ocean ecosystem.

#### EcoLoop™

Made with a solution dyeing process that can have up to a 97% lower impact on greenhouse gas emissions, 96% lower water impact and 98% lower fossil fuel use per kg of material than traditional dye processes.<sup>3</sup>

Packaging is now made from 100% recycled or renewable materials, with no plastic used in the packaging.<sup>4,5</sup>

<sup>1</sup> Only applicable on exterior main fabric.

<sup>2</sup> Based on Dell internal analysis, July 2025. Plastic bottle estimate assumes a 500 ml plastic water bottle, weighing approximately 9.25 grams.

<sup>3</sup> These results were calculated using Higg MSI 3.8 available at app.worldly.io. They were calculated by Positive Scenarios Consulting, LLC and are not verified by Cascale or Worldly.

<sup>4</sup> Contains 87.7% recycled content and at most 12.4% renewable content in the form of sustainably forested materials. Percentages may vary slightly by region. Excludes optional items added to order and included in the box.

<sup>5</sup> The backpack shown in the image is for illustration purposes only.
