TravelMate P2 16

Intel® Core™ i5-1335U processor
16" WUXGA (1920 X 1200) 16:10 IPS Display¹
TCO Certified²

1. Specifications may vary depending on model and/or region. All models subject to availability. 2. For more information on our TCO Certified devices, please contact your local sales representative.

TravelMate P2 16

The durable and sustainably designed TravelMate P2 features improved performance, business-grade security, and a highly refined user experience for work and video conferencing that makes it one of the best value laptops for small businesses.

A New Level of Usability

Get work done with ease thanks to the 16:10 display that offers more vertical screen real estate. This small business laptop also features a 180° hinge, large touch pad, numeric keypad, and keys with a 1.55mm travel distance for better usability.

Guaranteed Performance

With a 13th Gen Intel® Core™ i5 CPU¹, 16GB¹ DDR4 memory, this laptop offers all the performance needed to keep up with your work. It also comes with Acer Dust Defender that minimizes dust accumulation in the device for consistent performance.

Strong on Security

Secure your data and work without worry. This secured-core PC features discrete TPM 2.0, fingerprint reader¹ and IR camera¹ for secure login. The added privacy shutter reduces the risk of unauthorized access of your webcam.

Optimized Video Conferencing

The HD¹ webcam help you look your best in any lighting environment. Video calls are a breeze with dual microphones optimized with Acer PurifiedVoice's AI-powered noise-reduction and upward facing speakers with DTS® Audio.

Staying Connected

Stay connected no matter where you are with Wi-Fi 6E¹ connectivity. Connect all your peripherals with this laptop's wide variety of ports including a Type C Thunderbolt 4 port supporting 40Gbps data transfer and dual 4K displays.

Designed for Sustainability

This TCO certified² small business laptop uses PCR³ plastic, an OceanGlass™¹ touchpad made from ocean-bound plastics, and 100% recycled packaging materials. This laptop's lifespan is further increased with MIL-STD-810H durability and reinforced IO ports.

TravelMate Solutions

Be it at home, work, or at the frontline, TravelMate's streamlined selection of laptops offer solutions for the new challenges that professionals face today.

Collaboration

No matter where you are in the world, make use of adaptable collaborative tools to easily get things done together with your colleagues.

Security & Privacy

Protect your privacy and your data from unwanted access with the latest security features and designs.

Added Protections

Combine military grade durability, reinforced IO ports, and more for not only a high-performing professional laptop, but one that overcomes all the challenges that work and life throw at it.

Productivity

Combining next-gen hardware, intuitive designs, and highly functional applications, you'll be able to get more done in less time than ever before.

Organizational Efficiency

Optimize resources and save your IT team from undue hassles with highly efficient applications to deploy new devices, secure them, enable remote access, and more.

Sustainability

Acer is committed to creating a green revolution within the technology industry. The TCO certified TravelMate products contain post-consumer recycled plastic, and use 100% plastic-free and recyclable packaging. We ensure that the products we offer are environmentally responsible as well improve your ESG performance.

1. Specifications vary depending on model.
2. Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.
3. Memory speed may vary, depending on the CPU, chipset or memory fitted.
4. A 64-bit operating system is required to enjoy the ultimate performance of 4 GB or higher memory.
5. All brands and product names mentioned herein include trademarks of their respective companies and are used solely to describe or identify the products.
6. Not all features indicated are supported on all SKUs
7. 1 GB is 1 billion bytes, 1 TB is 1000 GB. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space
8. Minor variations in system dimensions are possible due to the manufacturing process.
9. Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.
10. Actual battery life may vary considerably by specifications, depending on product model, configuration, applications, power management settings, operating conditions, and features utilized. Performance variation also arises based on components in use, which includes but is not limited to the processor, RAM capacity, storage, display and resolution, etc.
11. Bundled software may vary depending on hardware configuration, OS and regional availability.

In a continuing effort to improve the quality of our products, information in this document is subject to change without notice. Images shown are only representations of some of the configurations available for this model. Availability may vary depending on region.
As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called "non-conforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acer's warranty.

What We Offer

Innovative Solutions*

Acer offers a range of unique services that simplifies everything from purchasing your product with Acer Device as a Service (DaaS) and trade-in programs to deploying and managing your device with Acer Office Manager and Acer ProShield Plus.

Guaranteed Peace of Mind*

All TravelMate products include a minimum one-year International Travelers Warranty. Depending on your region, you can extend this warranty for up to 5 years while also taking advantage of additional coverage for the battery, data recovery, media retention, and insurance for accidental damage.

Award-winning Service*

Our award-winning service model allows us to quickly and efficiently support your business to meet challenges head-on. With more than 3,000 service and repair centers in 160 countries and regions, Acer for Business provides round-the-clock access to skilled and experienced technicians across the globe.
