

## BE Universal Crossbar

**The BE Universal Crossbar is the ergonomic monitor solution for anyone who works with two screens.**

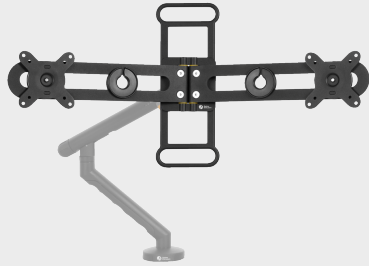

### **The right posture starts with the right setup**

The BE Universal Crossbar is the ergonomic monitor solution for anyone who works with two screens. No hassle with separate arms or crooked setups? Then choose peace of mind and balance with one central arm that is fully adjustable. Thanks to the smart, modular design, you can quickly set up two screens. Seamlessly side by side, at exactly the right height and viewing angle.

### **Upgrade from single to dual without a new monitor arm**

Do you already have a BE Flexible Single monitor arm (or another monitor arm with VESA 75x75)? Then you can easily switch to a dual setup with the BE Flexible Universal Crossbar, without purchasing a completely new system. You keep the base and simply add the crossbar. Smart, sustainable, and economical.

## BE Universal Crossbar

### Article code

BNEBUC

### Barcode/ EAN-code on product package

8719274677871

### Guarantee period [years]

Lifelong (after registration)
