The proprietary design **does not require any adhesive or alteration** to the body of the MacBook to attach this custom Ledge Lock. The New MacBook Lock slot can be quickly and easily installed on both the left or right side of the MacBook, and it does not affect any functionality of the MacBook, particularly the opening and closing of the lid.

The **slim design** of this extremely secure lock slot adapter integrates seamlessly with MacBook's minimalist appeal and is ultra-lightweight at less than 0.1lb so it adds minimal bulk and allowing for the MacBook to fit in a sleeve or bag.
