

AP22 Flush Mount Sleeve Installation Guide

Package Contents

- Plastic AP22 flush mount sleeve (R6P90A)
- AP22 Flush Mount Sleeve Installation Guide

Introduction

The AP22 flush mount sleeve lines up the exterior of the access point, offering a practical and aesthetic solution for concealment and customization.

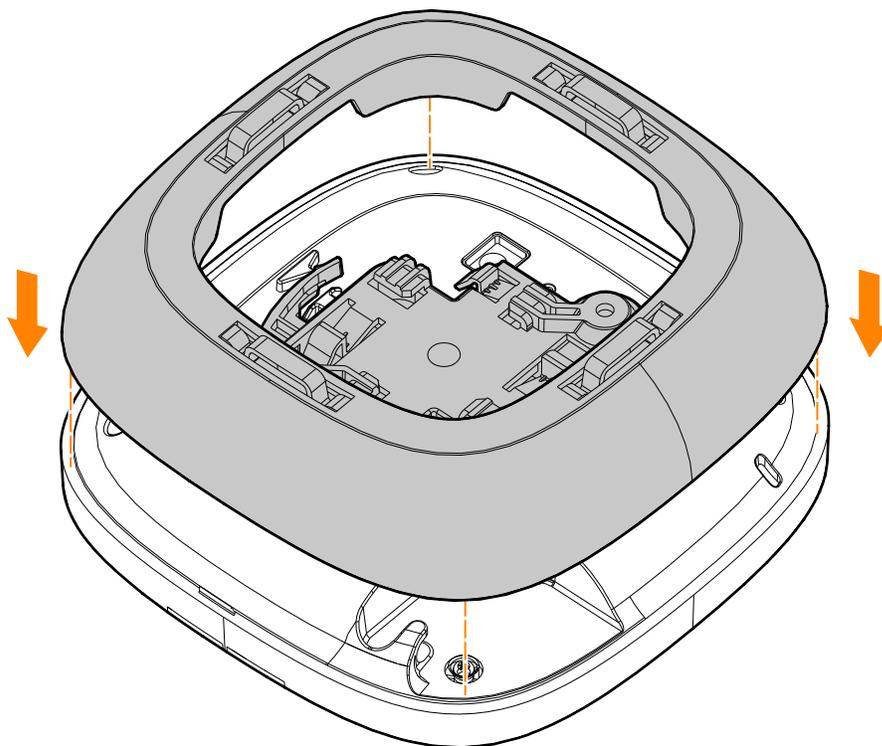

Installing the AP22 Flush Mount Sleeve

You may want to install the wall/ceiling mount bracket prior to installing the AP22 flush mount sleeve.

1. Fit the bottom corners of the AP22 flush mount sleeve around the access point, then press the sleeve onto the access point until it lines up and is held in place.
