

● **ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.**

Media Converter, SM

Article number: 222790

This space-saving 482.6 mm (19") rack solution allows you to monitor all connections centrally. Exchanging modules is very easy and also possible during operation. The converters come with an external power supply allowing them to be used as stand-alone units.

- Converter 10/100 RJ45:100-SC from ARTICONA
- Network extension without additional cable installation
- 10/100 Mb/s dual speed
- for rack or standalone operation
- Power supply via AC adapter or optional chassis
