

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

FO Duplex Patch Cable LC/APC-LC/APC

Article number: see below

The Singlemode Duplex Patch cables with LC-APC connectors on both ends meet high-quality standards and are 100% tested. They are available in various lengths, making installation easier. The 2 mm thick outer jacket conforms to Standard G657.A2 and is halogen-free (according to IEC-60754-2), low-smoke (according to IEC-61034), and flame-retardant (according to IEC-60332-1) 1. These cables are suitable for indoor use and come with LC/APC connectors featuring an 8° angled polish.

Highlights:
