

Be Smart, Automate Your Scans !

The IRIScan™ Pro 5 is a multi-functional duplex color scanner with ultrasonic feature. Thanks to its amazing value-for-money software suite, it offers small businesses and independent workers a powerful tool to improve their productivity, allowing them to save precious time in their administrations tasks:

Scan any type of document - Contracts, invoices, receipts, bills, business cards and even plastic cards like Identity cards, insurance cards, credit cards... can be scanned in a single click at a very high speed (23ppm).

Convert any paper document, PDF or image into digital files that can be edited, indexed and shared - Thanks to the included Readiris™ Corporate OCR software, scanned documents can be converted, edited, hyper-compressed (thanks to iHQC™), and sent directly to the Cloud (SharePoint®, Google Drive™, Evernote®, Box, Skydrive™, Dropbox). Paperless is the word!

Scan, recognize and manage their business cards - Thanks to Cardiris™ Corporate, users get rid of their cumbersome paper business cards and keep their electronic contacts up-to-date in their favorite Contact Manager (Outlook®, Act!®, etc.). 10 business cards stack at once with up to 40 business cards per minute !
