

## Wall brackets

06127756 TV Wall Bracket, Fully Mobile, 213 cm (84"), Scissor Arm, black

### Highlighttext:

- For the installation of flat screen TVs with a screen size from 81 to 213 cm (32" to 84")
- Easy-Fix system for simple and fully adjustable orientation of your TV
- The drilling template means easy marking of the drill holes without having to hold the bracket up against the wall
- If the TV bracket has been mounted slightly at an angle on the wall, the position of the TV can be corrected by a few degrees horizontally
- Supplied hook and eye cable tie ensures everything remains tidy and provides suitable strain relief
- Easy installation in just three steps
- Supports all VESA standards up to 600 x 400
- Up to +/-15° continuous tilt
- 2 movable swivel arms for greater stability and even weight distribution, up to 150° swivel range

### Note for Consumers:

In addition to the varied installation accessories supplied, we also recommend the following tools for the installation process: drill, pencil, screwdriver, power screwdriver, measuring tape, open-end spanner, spirit level.

The dowels and screws supplied with this TV wall bracket are only suitable for concrete and solid brick walls. Please check your wall before commencing installation. If the wall is made of any other material, please source suitable dowels and screws from a specialist retailer.

To be able to use the full range of motion, route the cable to the fully extended TV wall bracket and ensure that there is sufficient room for the cable to move.
