Key features:

Classic meets contemporary with the Nokia 225 4G. There's a world of perks that comes with 4G, like clearer call quality, social media and multiplayer gaming. The premium design with the glossy hard-coated colours¹ deliver a high-end finish. That, together with the curved back, easy-grip edges, long-lasting battery life and durability, makes the Nokia 225 4G really is the full package.

Catch up with 4G.

Make the most of the modern essentials in the Nokia 225 4G with affordable 4G. Enjoy perks like greater call clarity, multiplayer games together with your friends and Facebook.

First-rate finish.

The premium performance keymat and separate function keys make it easy to be precise – plus, the comfortable edge and curved back make it easy to hold. All this comes finished with glossy, hard-coated colors.

Long-lasting battery life and signature sturdiness.

Seize the day with a phone that won't hold you back. With a long-lasting 1150 mAh battery and signature durability, Nokia 225 4G is built to last.

Design with strong Finnish roots.

Looks good. Feels solid. The 3D nano-textured rear cover sits securely in your hand and has a stunning finish of vibrant, living colors. Plus, the fully recyclable diecast metal chassis and almost seamless durable structure give your phone strength and style.
