

## Office headset, hybrid

00139940 "BT-900" Bluetooth® Headset, Multipoint, Chg Station, ENC, Wireless, blk

### Highlightstext:

- Bluetooth headset with charging station for comfortable use in everyday business situations in the office, home office and on business trips: hands-free and uninterrupted telephony without restrictions
- For more freedom of movement: wireless headset for a tidy work space with hands-free calling and no cable spaghetti
- 1 headset, 2 devices: whether it be a PC, laptop, tablet or smartphone, with the office headset you can connect up to two devices simultaneously via Multipoint, saying goodbye to tedious plug switching
- Improved voice quality when making calls: the Bluetooth headset with ENC noise cancellation filters out disturbing ambient noise directly at the microphone - so your voice comes through crystal clear
- Visible call: sitting down and chatting is no longer a thing as your colleagues will be able to see from the red LED that you are on a call
- Never miss a call again: thanks to a 24-hour battery life, you'll always be contactable
- For extra-long conversations: over-ear headphones with padded earpads and headband for the perfect fit, even if the conversation is a long one
- Easy to use: control call and smartphone functions via the multi-function button directly on the wireless headphones' earpads (e.g. take / make / reject calls / last number redial / music)
- Charge and store: the charging status LED indicates the charging progress and also serves as a holder for the Bluetooth headset when not in use to ensure a tidy workstation
- Energy saving made easy: with the separate On/Off switch, the Bluetooth headset with microphone only draws current when you need it
- Sustainable and practical: instead of tiresome battery changes, simply charge up the battery for the wireless headphones via USB-C
- Charge and call at the same time: when the battery is empty, simply plug in the cable and carry on using the business headset. That's how modern offices work nowadays
- Ideal meeting partner: the headset with microphone supports voice over IP, e.g. Skype, Teams, Zooms, YouTube, Office Calls, video conferences and more
- Always flexible: extra-long cable for more flexibility and freedom of movement and a straightforward connection of the wireless headset to the PC or notebook
- Space-saving for on the go: detachable microphone arm, folding wireless headset
- Adjust the volume directly on the earpad
- Mute button on the microphone arm of the multi-point headphones for immediate silencing of the microphone
- Reliable Bluetooth and 2.4 GHz radio technology with a range of 10 metres (depending on use and environmental conditions)
- Standby after 10 minutes of inactivity of the wireless headset
- The radio receiver connects the headset and laptop, etc. - simply Plug and Play

### System Requirements:

- Operating system: Windows 11/10, iOS/MacOS/iPadOS, Android
- For Bluetooth on laptops or desktop PCs: existing Bluetooth function or receiver

### Technical characteristics:

- Colour: Black
- Design or Motive: No Design/Motif
