Kindermann height adjustments

DisplayLift²

> Electrically height-adjustable mounts for displays and touch displays up to 86 inches or 90 kg.

> Precise and quiet adjustment – up to 50 cm at 20 mm/s at the touch of a button.

> Robust and flexible thanks to rolling frame or wall/floor mounting.

> Rear storage space for multiple sockets, players, and accessories.

> Integrated cable management for clean and tidy installations.

> Operation via side-mounted push button.

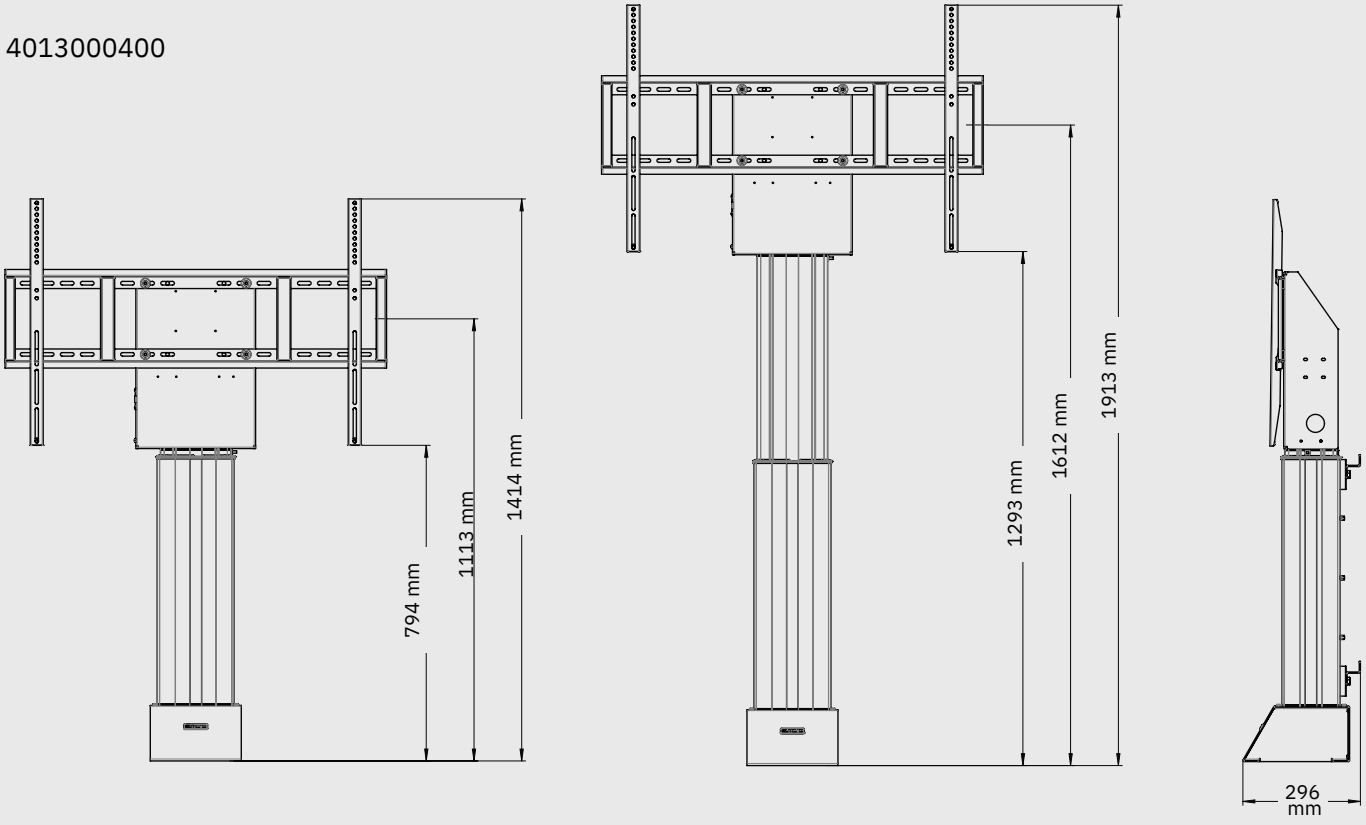

> Optional: Anti-collision sensor and control via app using Bluetooth.
