

Keyboard wired

00182651 "KC-700" Keyboard, silver/white

Highlighttext:

- Stylish, narrow keyboard for the fast and convenient input of data on the PC or notebook
- Elegant, slim design: the perfect symbiosis of functionality and style for any desk
- Scissor keys distribute the key pressure evenly and precisely and therefore ensure intuitive, fluid and quiet typing
- Whisper-quiet keys for undisturbed and relaxed working
- Control multimedia functions at the press of a button via the secondary assignment of Fn keys - without having to involve the tedious steps of changing system settings
- Laser-etched buttons for a high resistance to wear
- Fast, easy cleaning and pleasant typing thanks to flat, individually positioned keys
- The full-format keypad provides you with the full-sized, familiar keyboard standard
- No additional software required - simply plug in and start
- USB port
