PRODUCT DESCRIPTION

The Patented Ledge Lock Slot Adapter is the **world's smallest**, most revolutionary security cable lock adapter exclusively designed for the MacBook Air 13" M2 & M3. With a simple turn of a screw your MacBook Air will have a compatible cable lock slot that will work with our security cable locks.

The proprietary design **does not require any adhesive or alteration** to the body of the MacBook to attach this custom Ledge Lock. The New Lock slot can be quickly and easily installed on both the left or right side of the MacBook, and it does not affect any functionality, particularly the opening and closing of the lid.

The **slim design** of this extremely secure lock slot adapter integrates seamlessly with MacBook's minimalist appeal and is ultra-lightweight at less than 0.1lb so it adds minimal bulk and allowing for the MacBook to fit in a sleeve or bag.

A **cable lock with 2 keys** is included in the scope of delivery.
