moving you forward

CareFit Pro Medical Cart

- Modern design: Sleek lines add warmth with convenient touchscreen to help improve uptime
- Easy adjustment: Patented technology with infinite brake mechanism offers full sit-to-stand and monitor adjustment for comfortable caregiving
- Long-lasting battery life: Integrated Lithium Iron Phosphate (LiFe) battery keeps carts safely powered for more cycles to alleviate power anxiety
- Hygienic and safe: Internal cable management and easy-to-clean surfaces support infection control; optional UV Angel automated pathogen reduction eliminates more than 99% of bacteria
- Improved workflows: Intuitive lighting illuminates tasks without disrupting patients; 5" (12.7 cm) caster design supports mobility and smooth transitions between rooms and floors
- Professional-grade reliability: Built for endurance and longevity with industry-leading load and cycle testing

FULL-FEATURED MEDICAL CARTS FIT YOUR
CAREGIVERS, WORKFLOWS AND ENVIRONMENTS

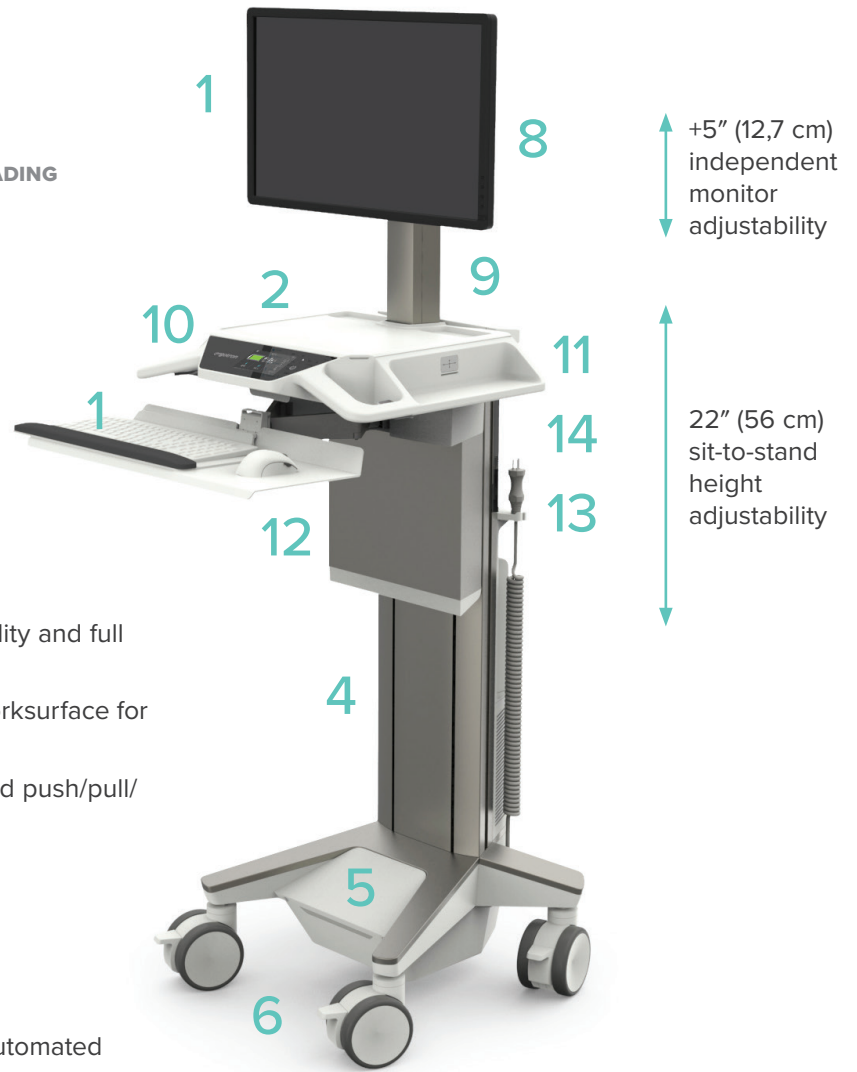

CAREFIT™

Designed for untethered productivity, CareFit Pro helps relieve caregiver burnout and inspire meaningful patient experiences. It's highly customizable to adapt to specific workflows, so nurses can attend to patients, not technology. On-cart or hot swap battery options ensure a dependable, long-lasting charge so caregivers can say good-bye to power anxiety. Optional UV-C automated pathogen reduction, combined with a sleek, easy-to-clean design, creates a hygienic mobile workstation that enhances healing spaces.

CAREFIT™

FULL-FEATURED • HIGHLY CUSTOMIZABLE • INDUSTRY-LEADING

- 1 180° pan for monitor and keyboard
- 2 Touchscreen user interface
- 3 High-capacity configurable drawer system can easily be added
- 4 Infinite brake mechanism enhances patented Constant Force™ technology for improved usability; electric lift also available
- 5 Integrated 320Wh LiFe battery
- 6 Durable, 5" (12,7 cm) dual-wheel casters
- 7 Optional LiFeKinnex™ Power System (245Wh)
- 8 Cantilever monitor mount for focal depth adjustability and full access to worksurface
- 9 LED lighting located on the base, keyboard and worksurface for working in dark environments
- 10 Neutral-angle, dual-grip handle design for improved push/pull/lift ergonomics
- 11 Integrated 7-port USB hub for data and power
- 12 Technology enclosure
- 13 Enclosed cable management
- 14 Flex-platform accessory mounting system
- 15 Optional UV Angel technology (coming soon) for automated worksurface and keyboard pathogen reduction

Coming soon: CareFit Pro with multiple drawer configurations!

Electric lift technology

Constant Force lift technology

Part Number	C52-2201-1 (Americas) C52-2201-2 (EU) C52-2201-3 (UK) C52-2201-4 (ANZ) C52-2201-5 (CN)	C52-1201-1 (Americas) C52-1201-2 (EU) C52-1201-3 (UK) C52-1201-4 (ANZ) C52-1201-5 (CN)
Color	White/warm grey	
Typical LCD size	Up to 27" or 20 lbs (9,1 kg)	
Worksurface dimensions	14" x 16" (35,6 x 40,6 cm), expandable to 14" x 23" (35,6 x 58,4 cm)	
Base footprint dimensions	20" x 21" (50,8 x 53,3 cm)	
Lift	27" (68,6 cm): 22" (56 cm) + 5" (12,7 cm) independent monitor lift	
Warranty	Five years for mechanical components, two years for power module and cord, one year for other electrical components (excluding consumables like AA batteries); five years to 80% nominal capacity for onboard LiFe batteries or 2,000 cycles as reported by device through eKinnex software
