

### Product Description /

Ultra-strong screen protector preserves your display's sensitive touch response and vivid clarity. Resilient and flexible, Alpha Flex installs easily with a precision fit. The crystal coating is scratch resistant, and the full-coverage adhesive keeps Alpha Flex in place. And Alpha Flex glass is infused with silver ions that protect the surface of your phone screen against unwanted microbes.

### Features /

- Antimicrobial technology protects the surface of the device 24/7/365\*
- Maintains flawless touch response
- Ultra-strong, glass-like material doesn't crack, shatter or chip
- Easy to install with included tools
