## Lenovo V17 GEN 3 IAP LAPTOP

Version 1 | April 2022

Squeeze the maximum out of your precious time with Lenovo V17 Gen 3 — a perfect mix of complementary features to ensure all-day productivity. Featuring up to 12<sup>th</sup> Gen Intel® Core™ i7 Processor, Lenovo V17 Gen 3, with its large 17-inch FHD display is ideal for those who need the extra space to improve their work and create seamlessly, especially on critical data-related work.

The latest-gen processor paired with powerful integrated graphics ensure the Lenovo V17 Gen 3 smoothly handles everyday office work. Comfortably compact at just 19.9mm thick, this 17-inch laptop offers impressive performance and portability with its design.

Up to 12<sup>th</sup> Gen Intel® Core™ i7 Processor

**Impressive performance:** the Lenovo V17 Gen 3 powers effortlessly through the mountain of work. Powered by the latest 12<sup>th</sup> Gen Intel® Core™ i7 Processor and powerful integrated graphics, Lenovo V17 Gen 3 delivers ultra-fast response times to help overcome any performance-related bottlenecks.

**Multitasking made easy:** up to 16GB of onboard memory and a combination of up to 512GB SSD and up to 1TB HDD deliver a smooth, responsive computing experience. You can create a separate desktop for each projector workstream using custom taskbars and switch between them instantly from your Windows 11 taskbar.

**Immersive display:** the 17-inch Full-HD anti-glare display with In-Plane Switching<sup>1</sup> and 300nits brightness set in a three-sided narrow-bezel delivers a deeply immersive experience. The 84% STBR provides a large screen which translates to more screen real estate to work on. Additionally, Dolby® Audio™ powered speakers provide crisp meeting audio so you do not miss anything

**Compact where it matters:** despite its large 17-inch display, the Lenovo V17 Gen 3 is only 19.9mm thick and 2.2kg—portable and easy to carry between desks or even from the table to the couch.

**Wide array of ports:** connecting to peripherals without any issue with the range of ports on the Lenovo V17 Gen 3. It features a Full-function Type-C port, two USB-A ports, HDMI and Audio Jack.

## Lenovo V17 GEN 3 IAP LAPTOP

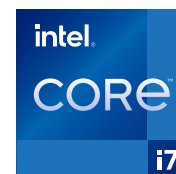

### ITDM Benefits

**Easy manageability:** Lenovo V17 Gen 3 is well suited for SMBs that are looking for a quick and hassle-free IT integration and rollout.

**Safe and secure:** power button integrated with a Fingerprint Reader<sup>1</sup> adds a biometric layer to device security. The Camera Privacy Shutter offers unbreachable privacy with just a flick, and firmware-based TPM 2.0 encrypts sensitive data on your device.

**Reliable wireless connectivity:** Wi-Fi 6 and Bluetooth® 5.1 offer a solid connectivity platform. Wi-Fi 6 is one of the fastest and most secure ways to connect to the internet, with greater bandwidth, ultra-low latency, greater security than previous versions, paired with the Intel Connectivity Performance Suite greatly improves network capabilities.

Up to 12<sup>th</sup> Gen Intel® Core™ i7 Processor

## Accessories

### ThinkPad 15.6-inch Basic Backpack

PN: 4X40K09936

The ThinkPad 15.6" Basic Backpack offers protection and value for laptops up to 15.6" wide. It features a padded, dedicated compartment for your laptop, plus plenty of internal storage for other work essentials. A convenient front pocket easily stores a small notebook, earbuds, or other essential items. Made of durable fabric, this lightweight, ThinkPad-branded backpack is compatible with all ThinkPad laptops and ultrabooks up to 15.6" wide.

### ThinkPad Essential Wireless Mouse

PN: 4X30M56887

This sleek and stylish full-size mouse design offers exceptional quality in a modern wireless solution. The compact ambidextrous mouse provides excellent portability and perfect ergonomics. Complete tasks with ease using the precise 1200 DPI optical sensor. Connect compatible Lenovo devices with just one nano receiver.

### Lenovo In-ear Headphones

PN: 4XD0J65079

The Lenovo In Ear Headphones provide great sound and value for nearly every on-the-go occasion. Enjoy the immersive full range of sound across all of your devices with the 3.5mm analog connection. Move seamlessly between the office and home, as the Lenovo In Ear Headphones keep you connected across your favorite devices. Its minimal lightweight design feels comfortable in the ear for extended periods of time.

## SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment—so you can focus on your work, not your IT.

### Warranty Upgrades

Onsite Service maximizes PC uptime and productivity by providing convenient, fast repair service at your place.<sup>1</sup>

### Warranty Extensions

This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your investment, and lower the cost of ownership over time.<sup>1</sup>

### Accidental Damage Protection

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs<sup>1,2</sup>

### Premium Care<sup>3</sup>

You will get direct access via dedicated support hotline to highly skilled technicians helping with software and connectivity issues, ensure your case is managed from start to finish. Onsite repair is the standard part of the Premium Care service.
