

ARTICONA is Bechtle's own brand of IT accessories for the modern workplace and stands for quality and reliability in everyday business.

ARTICONA iPad Pro 12.9 Privacy glass

Article number: 4708424

Protect important data and documents from unauthorized, prying eyes.

This privacy screen helps safeguard sensitive data and personal information, allowing for relaxed work during business trips and in public places.

Additionally, the film protects the display from dirt, scratches, and fingerprints.

The protective filter is easy to apply and remove.

- Guards against side glances
- Provides display protection against shocks, impacts, and fingerprints
- Rounded edges provide complete front coverage
- Easy to apply and leaves no residue when removed
- 10H hardness rating

Package includes:

- 1× Dust remover
- 1× Cleaning cloth
- 1× Microfiber cloth
