

Presenter

00139916 "X-Pointer 6in1" Wireless Laser Presenter

Highlighttext:

- 2.4 GHz RF presenter with a red laser pointer and many useful functions for professional control and support during presentations with a projector
- 2.4GHz wireless technology with a range of up to 15 metres lets you create dynamic presentations by moving freely around the room
- The red laser is ideal for emphasizing important points in darkened surroundings
- Air mouse function: turns the presenter into a wireless PC mouse and allows commands with the right and left mouse buttons, as well as control of the mouse pointer
- Storable USB receiver can be transported inside the housing to save space
- 6in1 laser presenter: laser pointer, air mouse function, full screen / black screen at the press of a button, volume control, PowerPoint navigation, Digital Ink for digital writing
- Presenter for leafing through or scrolling in a Microsoft PowerPoint and other Office applications
- Sits pleasantly in the hand and allows targeted control with distinctive buttons
- Smart-Link technology for easy start-up
- On/off switch for battery-saving use
- Advantage of a battery power supply: quick to change during the presentation
