

HAMA SPEICHER USB

00094169 FlashPen "Smartly", USB 2.0, 16 GB, 10MB/s,

Highlightstext:

- Extremely small removable storage medium, ideal for capacity expansion
- Especially small which allows inconspicuous integration on the front of the device
- With a cap
- Especially suited as USB memory or for expanding the memory of notebooks
- Data can be written and erased as many times as is required
- Suitable for terminal devices with a USB interface
- Also suitable as a small removable storage medium for car radios with a USB slot, allows you to listen to your favourite tunes when on the go
- Due to its compact design, the pen practically disappears within the USB interface, barely visible from the outside, and can remain in the car radio
- Just store your new favourite song on the USB stick and it is immediately ready for use on the way

System Requirements:

- Operating system: Windows 10/8/7/Vista/XP and MacOS 9.0 or higher
