

ThinkPad X13 Gen 3 *i*

Based on the Intel® Evo™ vPro® platform for an optimal experience, the refreshed ThinkPad X13 Gen 3 *i* perfectly marries high performance with ultra-portability. Powered by the Intel vPro® with 12th Gen Intel® Core™ i7 processor, along with Windows 11 and Intel® Iris® X^e graphics, the ThinkPad X13 Gen 3 *i* is built to deliver improved speed and intelligence while maintaining outstanding battery life¹.

The hybrid workforce will confidently tackle the day with this work-from-anywhere laptop, with its Wi-Fi 6E² connectivity and optional 5G, plus built-in ThinkShield security features to ensure your work and identity are protected. The improved FHD RGB camera, a 16:10 narrow bezel display, and Dolby Voice elevate the user experience, delivering more immersive and clearer video collaboration. Plus, low blue light display options mean minimal eye fatigue when those extra hours are a must.

¹Battery life will vary and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors.

²16GHz Wi-Fi 6E operation is dependent on the support of the operating system, routers/APs/Gateways that support Wi-Fi 6E, and the regional regulatory certifications and spectrum allocation.

Lenovo

ThinkPad X13 Gen 3 *i*

MOBILITY FOCUSED

Starting at 18.1mm and 1.19 kg (2.62 lbs), the ThinkPad X13 Gen 3 *i* is built for the portability and performance expected by today's hybrid workforce, with all-day battery life and next-gen 5G and Wi-Fi 6E capability¹.

ENHANCED USER EXPERIENCE

With an expanded scope of the FHD RGB camera plus Dolby Voice for immersive, clear video and audio conferencing, the ThinkPad X13 Gen 3 *i* enriches virtual collaboration in the modern workplace. The low blue light WQXGA display option means no more tired eyes when the productivity just can't stop.

UNMATCHED PERFORMANCE

The ThinkPad X13 Gen 3 *i* delivers powerful mobile productivity with Intel vPro[®] with Intel[®] Core™ i7 processor, Intel[®] Iris X^e graphics, up to 32GB LPDDR5 memory, and up to 2TB Performance PCIe Gen 4 storage. With Intel[®] Evo™-certified responsiveness, users can be confident of an optimized experience.

REDEFINED DESIGN

The refreshed ThinkPad X13 Gen 3 *i* delivers a narrow 16:10 panel design with 84% screen-to-body ratio and a choice of Thunder Black or a stunning Storm Grey aluminum finish with tone-matched keyboard. User-facing audio with Dolby[®] Audio Speaker System, a wide 115mm TouchPad, and power-on touch fingerprint reader make this ultra-portable clamshell ideal for the hybrid workforce.

durability

MIL-SPEC tested with 12 methods, 26 procedures, and 200 additional quality checks, the ThinkPad X13 Gen 3 *i* is designed for WFA durability and engineered with reliable, long-lifecycle components.

security

Enhanced integrated ThinkShield features, like the webcam privacy shutter, optional PrivacyGuard, and power-on touch fingerprint reader, keep your data yours in the hybrid work environment. Plus, Intel[®] Hardware Shield, available exclusively on all Intel[®] vPro[®] platform-based devices, delivers integrated hardware-based PC protection for more secure business productivity.

sustainability

The ThinkPad X13 Gen 3 *i* uses sustainable packaging², as well as PCC recycled material for the battery brackets, speaker enclosures, and AC adaptors. All Lenovo devices are manufactured using low-temperature solder for reduced emissions. And by 2025, Lenovo aims to obtain 90% of electricity for global operations from renewable sources and remove one million tons of greenhouse gas emissions from the supply chain.

¹16GHz Wi-Fi 6E operation is dependent on the support of the operating system, routers/APs/Gateways that support Wi-Fi 6E, and the regional regulatory certifications and spectrum allocation.

²Product packaging shall contain, on average, a minimum total percentage of 90% by weight of any combination of the following materials: Recycled content, biobased plastic, non-wood biobased fiber material, and/or sustainably forested material.

ThinkPad X13 Gen 3 *i*

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

Services

PREMIER SUPPORT

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems. Get a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.^{1,2}

ACCIDENTAL DAMAGE PROTECTION

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This protection plan helps with predictable budgeting, minimizes unexpected repair costs and provides significant savings relative to the cost of non-covered repairs.^{1,2}

GREEN DELIVERY

Improve sustainability for a smaller environmental impact. Green Delivery Service delivers devices in bulk packaging to reduce per-unit waste, improve operational efficiency with consolidated shipments, and allow for environmentally friendly packaging disposal. Plus, all boxes use Kraft Sealing Tape to eliminate single-use tape, and by 2025/26, 90% of PC products' packaging will be made from recycled materials.
